- Achievement under ACP in Agriculture, MSE OPS and total priority sector is higher than of December'2011 achievement. The overall achievement under ACP is slightly higher than previous year achievement, which is only due to less financing in Non priority sector in current financial year.

Suggestion:

- ACP targets should be treated as sacrosanct and must be achieved by all Banks.
- Banks should speed up lending activities to achieve cent percent ACP Targets.
- Achievement under ACP should be discussed effectively in each DLRC/BLBC meetings, with special emphasis on Agriculture Sector. Controllers of the Banks should invariably attend the DCC/DLRC meeting to make the discussion effective.
- Controlling Heads of the banks may intensify their visits to branches for stepping up financing and to put in place close and continuous monitoring of achievement under ACP. Sensitization of field functionaries is also needed.
- In order to facilitate 100 % achievement of ACP targets "issues needing focused attention-Enabling factor "as identified in the Approach paper on credit deposit ratio of the state under Agenda No-3 of 32nd SLBC held on 9th Feb'11 needs to be attended on priority basis.
- **The private sector Banks should involve themselves more actively to improve ACP achievement in the state.**
- Sub-Committee on ACP is requested to monitor the progress at frequent interval.

AGENDA NO	8
DATE OF MEETING	14.02.2013
MEETING NO	42

IMPORTANT ISSUES FOR IMPLEMENTATION AS PER MOF, GOI INSTRUCTION

8.1. Rollout of Direct Benefits Transfer from 01st January' 2013

It's been called a game-changer, a nationwide technology-backed initiative that promises to change the way the Government delivers entitlement to citizens. It will lead to seamless transition. The new system which has been introduced will be more transparent. It will eliminate leakages, delays, duplicacies and falsification. Government firmly believes, this will introduce a very high degree of efficiency and transparency. It has been decided to shift to a system of Aadhaar enabled Direct Benefit Transfer of funds under 34 identified central sector/centrally sponsored schemes.

With the view to ensure that benefits go to individuals bank accounts electronically, cutting down delays and diversions. The Government will transfer cash benefits like scholarships, pensions, NREGA wages etc. directly to the Bank accounts of identified beneficiaries under the DBT programme in a time bound phased manner.

The roll out has been based on:

1. The next installment being due either on 01.01.2013 or at a later date.
2. The list of beneficiaries being digitized in the districts concerned.
3. The opening of bank accounts for beneficiaries in the district concerned.
4. Enrolment of Aadhaar number in the district concerned.
5. Seeding of bank accounts with Aadhaar number in the district concerned.

In the first round of Direct Benefit Transfer, the rollout has been launched on 01.01.2013, under 26 selected schemes in 43 districts of 16 States.

In Jharkhand **04** districts, Ranchi, Ramgarh, Hazaribagh and Saraikela- Kharsawan have been identified for first phase of Roll out. In Ranchi and Saraikela the DBT is being rolled out from **01.02.2013** and in Hazaribagh and Ramgarh, from **01.03.2013**.

Once the programme has stabilized in these 43 districts, it will be rolled out in phases in other part of the country. DBT from the centre will take place either directly to the account of the beneficiaries or through the State Government into the account of the beneficiaries. Initially beneficiaries will be able to withdraw from their own bank branches or ATMs or Business Correspondents (BCs) wherever they exist. The system of micro_ATMs and multiple BCs will roll out subsequently with full inter-operability gradually. Common Service Centres set up by the Department of IT are being engaged to serve as a BC in Gram Panchayats where BCs are not functional. For guidelines and other information please refer **enclosure no 11 page no. 159 & Enclosure 12 page 164**

8.2. Seeding of Aadhaar number of CBS of the Banks

The seeding of Aadhaar number in bank account of the beneficiaries is the most important step for the implementation of Direct Benefit Transfer. In terms of Planning Commission, Govt. of India Guidelines Govt. user departments are advised to collect beneficiaries database in digitize format for each scheme containing Bank name, Account number and Aadhaar number. Further, Banks have been advised to seed the Aadhaar number in CBS without error on receipt of beneficiaries' database prepared by the Govt. user department. However, in case a beneficiary approaches the Banks directly for seeding Aadhaar in Bank account, this may be done as per prevailing practice. DFS, MOF, GOI letter no. F.No.6/41/2012-FI dated 31st December'2012 is enclosed as **enclosure no 13 Page No.175** .

All the controlling heads of the Banks are requested to ensure quick and error free seeding of Aadhaar number whenever received from Govt. Department. The controlling Heads are requested to monitor the seeding of Aadhaar number on daily basis and ensure that seeded accounts are finally mapped/uploaded in NPCI server through their CBS project office on daily basis.

However, SLBC Jharkhand has made several initiatives for sensitization of people in general for seeding of Aadhaar no in their Bank accounts as well as opening of bank account.

- 1. A toll Free number 18003456525 has been provided by SLBC and information of this Toll Free number has been given in Daily newspaper for 6 weeks.**
- 2. SLBC also provided a sample of banner to all the Banks requesting the people to seed their Aadhaar number.**
- 3. SLBC asked the Banks for opening of Bank account in camp mode and Banks have organized several such camps for the opening of SB accounts.**

8.3. Mapping of Gram Panchayats and Planning for BCA/CSC for Sub- service area approach

Govt. of India has undertaken implementation of Direct Benefit Transfer to beneficiaries of identified scheme of various departments in 51 districts from January' 2013 and further has to be rolled out in all districts of 18 state including Jharkhand from April' 2013.

In view of that it has become necessary to prepare comprehensive plan for the coverage of entire districts through Banking Services to enable Direct Benefit Transfer. Following action points have been identified by DFS to complete the task:

- a) It shall be the endeavor to ensure that there is at least one bank branch/business correspondence Agent (BCA) in every Gram Panchayat.
- b) Bank need to ensure that about 1000 to 1500 households are available in Sub – service area of BCA.

- c) The first step that LDM has to take is to form Sub- Service area based on group of Gram Panchayat taking the population and geographical condition into consideration such that one Branch/BCA/CSC extend service to each sub-Service area. In case any Panchayat requires more than one BCA/CSC , the sub service area for each BCA/CSC, within gram Panchayat must be specified.
- d) In case existing BCA is functioning satisfactory, the same should be continued and remaining households in the allocated sub service areas should be covered through the BCA.
- e) In case the existing BCA is stationed at a place other than Gram Panchayat headquarter, it should be ensured that the BCA serves the entire Sub- service area allocated to it.
- f) Wherever, there is either no BCA functioning or the performance of the existing BCA is less than satisfactory, the Common Service Centre (CSC) should engage as BCA.
- g) In the Sub- Service area where neither a BCA nor a functional CSC is available, new CSC or BCA should engage.

In view of this directive SLBC Jharkhand has advised all the LDMs for Mapping of Gram Panchayats. The Mapping of GP has been completed in 04 districts where DBT is applicable on pilot basis. Controlling Heads of the Banks having Lead districts are requested to ensure the Mapping of rest of the districts as the last date for the Mapping i. e. 31st January'2013 has been elapsed. **Enclosure no 14 page no 176.**

8.4. Operationalization of CSC as Business Correspondent

In the view of roll out of Direct Benefit Transfer, the coverage in terms of population would be no longer be relevant and entire area of districts/states, as per roll out plan, would need to be covered with banking facilities.

Common Service Centres have been set up in the country under the Department of Electronics and Information Technology, Govt. of India under the National e-Governance Plan. In order to extend the outreach of BCAs, Public Sector Banks have signed an agreement with the CSC e-Governance Services India Ltd (CSC SPV), a special purpose vehicle setup by the Government of India to monitor and manage the Common Services Centre, for engaging CSCs as BCA.

Although, DFS, MOF, GOI has advised the Banks vide letter no F. No. 6.36/2012-FI dated 26th December'2012(**enclosure no 15 page no 184**), to have agreement with CSC e-Governance Service India Ltd. and there should be no need to entre into any fresh agreement with Service Centre Agencies (SCA), who are Sub-BC for the CSC e-Governance Service India Ltd, but UTL who is service provider for the CSC e- Governance is forcing Banks for having separate agreement to take off the job. Due to this deadlock CSC is not taking off in Jharkhand. However, SBI and BOI have separate agreement with UTL that's why these two Banks have stared operations with the CSC. (**Enclosure no 16 page no 187**)

HOUSE MAY DISCUSS

8.5. Installation of Onsite ATMs in all branches.

DFS, MOF, GOI vide letter no F. No. 6/77/2012- FI dated 28th Decemebr'2012(**enclosure no.17 page no.192**), advised all the Private Sector Banks and RRBs operating in 51 pilot districts for DBT to install on site ATMs in all branches by 31st January'2013. It was also advised to ensure that all accounts holders in these districts, particularly the beneficiaries under Direct Benefits Transfer, are issued ATMs cum Debit card on priority so that they can transact at the ATMs.

The controlling heads of the Banks are requested to speed up their initiatives to ensure installation of onsite ATMs as the deadline has been expired.

HOUSE MAY DISCUSS

8.6. Installation of Biometric Cash dispenser in rural & Semi- Urban areas.

DFS, MOF, GOI vide letter no F. No. 6/35/2012-FI dated 07th January'2013(**enclosure no 18 page no.191**), advised the PSBs to ensure that the Cash Dispenser provided, particularly in Rural and Semi- urban areas have facility for biometric authentication to enable customers to use the same.

Hence, controlling heads of the Banks are requested to ensure the compliance of the same as the RFP finalized by the PSBs for "Outsourcing of Installation and Managed Services of Cash Dispensers" had a provision that bidder should provide all new CDs with biometric functionality.

HOUSE MAY DISCUSS

8.7. Putting up of guidelines issued by DFS, MOF, GOI in DLCC meeting.

It is also requested that feedback/ suggestions, if any, received in the DLCC meetings regarding the guidelines/ circulars may be informed to this Department.

The revised Service Area Plans need to be updated every month and date of last update indicated on the service Area Plan. Service area plan of all 24 districts is uploaded in SLBC website.

8.9. Financial Inclusion Drive to open Bank accounts of Migrant Labours and Street Vendors/Hawkers in Urban areas.

To inculcate saving habits and to extend banking facilities to the migrant labour and street vendors/ hawkers in urban areas, DFS, MOF, GOI requested all Banks to undertake account opening drive in 500 meters of all their metro and urban branches. Thereafter, the branches should extend this process of opening of accounts beyond 500 meters so that all such persons get financially included. Further, DFS, MOF, GOI vide e-mail dated 09.07.2012 and 11.07.2012 advised all PSBs the broad strategy to be included in this drive. A meeting of the nodal officer with the Secretary (BO) was held on 23.10.2012. As decided in the meeting SLBC Jharkhand has started a Call Centre with Toll free number for the Migrant Labours and street vendors/Hawkers. A advertisement in this respect has also been published in daily newspaper for 06 weeks in row. The copy of the ad is enclosed as **enclosure no.19 page no.192** .

8.10. Micro Insurance and Non-Life Insurance through BCs.

For inclusive growth of the service area villages, Life/Non-life insurance policies should be given to villagers. Govt. Insurance companies should take initiative to cover the insurance of villagers, their crop, animals etc actively. It has to be ensured that all BCAs are also appointed as specified persons of the life & non –life companies.

It was instructed by MoF, GoI that a nodal officer for each state is to be appointed who will be responsible for non-life insurance coverage in the state.

National Insurance Company has appointed Sri D. S. Pante as Sate Nodal officer for Jharkhand, however, LIC has to nominate their Nodal Officer.

Representative of Life/Non-life insurance company may appraise the house.

Total PSC	3760.15	2054.50	54.64	4877.97	2702.75	47.30

Negative trend of recovery position in the state of Jharkhand is a cause of concern. CBI, UBI, Dena Bank, VGB etc. should frame some strategy to improve recovery for overall improvement in the recovery position. Support from State Govt. can be a useful tool to increase recovery.

Bank- wise position of recovery under Priority Sector as on **31st December' 2012** is given in **Annexure -XVIII (Page -94)**

10.2 RECOVERY POSITION UNDER GOVT. SPONSORED SCHEMES

[Amt. in Crore]

The position of NPA and written off debts of Banks in the state, is as under

[Amt. in Crore]

Particular	31st December'2011	31st December'2012
Gross Credit	40984.64	48226.76

OBSERVATIONS

1. Recovery position in the state of Jharkhand continued to deteriorate during FY 2012-13.
2. There is also no significant outcome in terms of recovery in certificate cases.

Only improved recovery scenario may help in recycling the Banks loans and free flow of credit to Priority Sector and Govt. sponsored scheme.

MEETING NO.	42

12. Miscellaneous

12.1. Extension of Equitable Mortgage in Khunti and Ramgarh.

Ramgarh and Khunti, which have been carved out from Hazaribagh and Ranchi districts respectively are not having the equitable mortgage facility as these two districts have not been notified for creation of Equitable mortgage by the State Govt. At present Equitable Mortgage of these two districts are executing in nearby districts, which is posing hurdle in financing by the Banks. SLBC has requested to IF & PI department, GOJ to take up the matter with the concerned department of Govt. to notify these two districts as notified centres for Equitable Mortgage.

12.2. Financing to Special category of Borrowers

As per prevailing practices mortgage of properties for loans to the members of ST/SC/OBC category under CNT Act is being permitted by Dy. Commissioner of respective districts. In case of Housing Loan to the employees of Central Govt./State Govt./ Banks and other PSU, Education Loans to the ward of Central Govt./State Govt./ Banks and other PSU employees and for Investment credit, SLBC proposes that a time frame should be fixed to minimize the delay in granting the permission for mortgage by DCs to facilitate these type of Loans which generally otherwise gets unduly delayed.

House may discuss

12.3. Provision of space for DRT Ranchi

MoF, Gol vide letter no F. No. 26/7/2011-DRT dated 27.04.2012 advised the convener of SLBC to locate/find out the suitable space for shifting of office of DRT Ranchi.
